**COUNCILMAN PATRICK DOWD AND BOARD OF PWSA PASS RESOLUTION
AUTHORIZING CREATION OF SEARCH ADVISORY COMMITTEE**

Pittsburgh, PA – Pittsburgh City Councilman Patrick Dowd, District 7, and the Board of Directors of the Pittsburgh Water and Sewer Authority (PWSA) at today's February Board Meeting passed a resolution authorizing the creation of an advisory committee to assist the Board in its search for a new executive director. Former Executive Director Michael Kinney resigned in December, 2010.

"The PWSA board looks forward to gathering input from community members, customers, developers and water quality experts. We are reaching out to a wide variety of folks and are pleased by everyone's willingness to participate," expresses Councilman Dowd. "The board hopes that this group of experts will not only provide input but eventually work with the new executive director to meet the strategic challenges ahead."

State Representative Dan Deasy, also a PWSA Board Member, is working with Councilman Dowd to establish this committee.
