

# Bureau of Building Inspection Code Enforcement and Permitting Field Activities

Performance Indicators

During 2008, Daily Field Inspections for all areas increased 83% to 96,013 from 52,362 in 2007

**Mayor Ravenstahl AGENDA GOAL:** Neighborhoods and Families - Strengthen neighborhoods.

**DESCRIPTION:** Bureau of Building Inspection (BBI) staff are responsible for ensuring the safety of all public and private buildings and property within the City. The numbers displayed indicate the day-to-day activity levels of the BBI field inspectors as they monitor neighborhood land development, construction, and remodeling projects, and as they enforce property and building codes. BBI also began in '08 to track different categories of inspections to assess the impact of Rental Unit inspections, which will begin December '08.

**ANALYSIS:** The Q4 '08 data is indicating, for the fourth consecutive quarter, significant increases in field staff activities over the same period last year.
