Sustainable Home Improvement Partnership Client Interest Form

This is NOT an application

The Sustainable Home Improvement Partnership repairs and weatherizes the homes of veterans, seniors, and disabled residents with local nonprofits and citizen volunteers.

You ***may*** be eligible to receive home improvement services if you:

- Live in Garfield, Larimer, Homewood, or East Liberty.
- Are a veteran, senior, or disabled resident.
- Have an income lower than 200% of poverty.

Potential services available include:

- Utility upgrades
- Roof and structural repair
- Weatherization
- Handicapped accessibility upgrades
- Safety improvements
- Homeowner counseling
- Window replacement

Please note that the **first** priority of the Sustainable Home Improvement Partnership is assisting veterans and families that have already been awaiting much-needed services from our partners. Your completed interest form will be shared with the Sustainable Home Improvement Partnership agencies and you will be contacted for further information. Please note that due to funding limitations, not everyone will be able to be served through this project.

The Sustainable Home Improvement Partnership is supported by The Home Depot Foundation and hundreds of citizen volunteers. To learn more about this initiative and other volunteer opportunities, visit servepgh.pittsburghpa.gov. Mayor Ravenstahl's servePGH initiative engages citizen volunteers to address pressing local challenges.

We are grateful to The Home Depot Foundation for its investment in the Sustainable Housing Improvement Partnership and its national commitment to vibrant and sustainable communities.
