Overview of Project:

A new salt storage facility, to be known as "Salt Storage Facility (SSF)" at 946 Saw Mill Run Blvd, Pittsburgh, PA 15220. Scope also includes the demolition of the existing salt dome structure, the demolition of the adjacent building to be known as the "Diner Building", and all associated site work required.

Outreach

The Department of Public Works held a mandatory pre-bid meeting and posted outreach on social media and in the local newspaper.

Recommendation

The Office of Business Diversity recommends the passing of Project 2509-02. The Prime ((Wheels Mechanical)) is certified WBE and they have an MBE and VOSB that bring the total participation to 100%
