Overview of Project:

Individual and/or firm shall work closely with City to assist in developing legislative priorities. The individual and/or firm shall communicate information to and from the congressional delegation, other members of the Congress, legislative committees, legislative staff, and Federal agencies; monitor and provide regular reports on current legislation, the Federal budget process, or any legislative events on the Federal-level that may directly or indirectly impact the City.

Individual and/or firm shall obtain and monitor bills, resolutions, etc. on the Federal level. As such, copies of all bills and amendments that are determined to have an impact on the legislative and regulatory interests of the city should be forwarded to the appropriate contact or liaison.

Outreach

The city held a pre-bid meeting and posted outreach on social media, OpenGov and in the local newspapers.
