

Picture This: An Age Inclusion Photo Project

October 2026

Beechview Healthy Active Living Center
1555 Broadway Avenue

Project Background

Three neighborhoods in Allegheny County - *Beechview, McKeesport, and Sharpsburg* - were selected as an Age-Friendly Neighborhoods in August of 2024, with \$10,000 awarded to each location to bring intergenerational projects to life in partnership with neighborhood leaders.

Age-Friendly Greater Pittsburgh installed a sidewalk-level activation project featuring residents from Beechview as part of the Age-Friendly Neighborhoods project.

Initially approved for under a year, Age-Friendly Greater Pittsburgh is requesting to continue the installation until Spring 2027
