

1123 Liverpool - Solar

Mar 2025

Trinity Solar

- Family owned residential installer. (30+ years exp)
 - Solar
 - Energy Storage
 - Roofing
- Pennsylvania's largest residential Solar installer.
 - 400-500 Installations across PA every month
- Install Roof and/or Ground Mounted Solar systems to offset customers own electricity consumption.

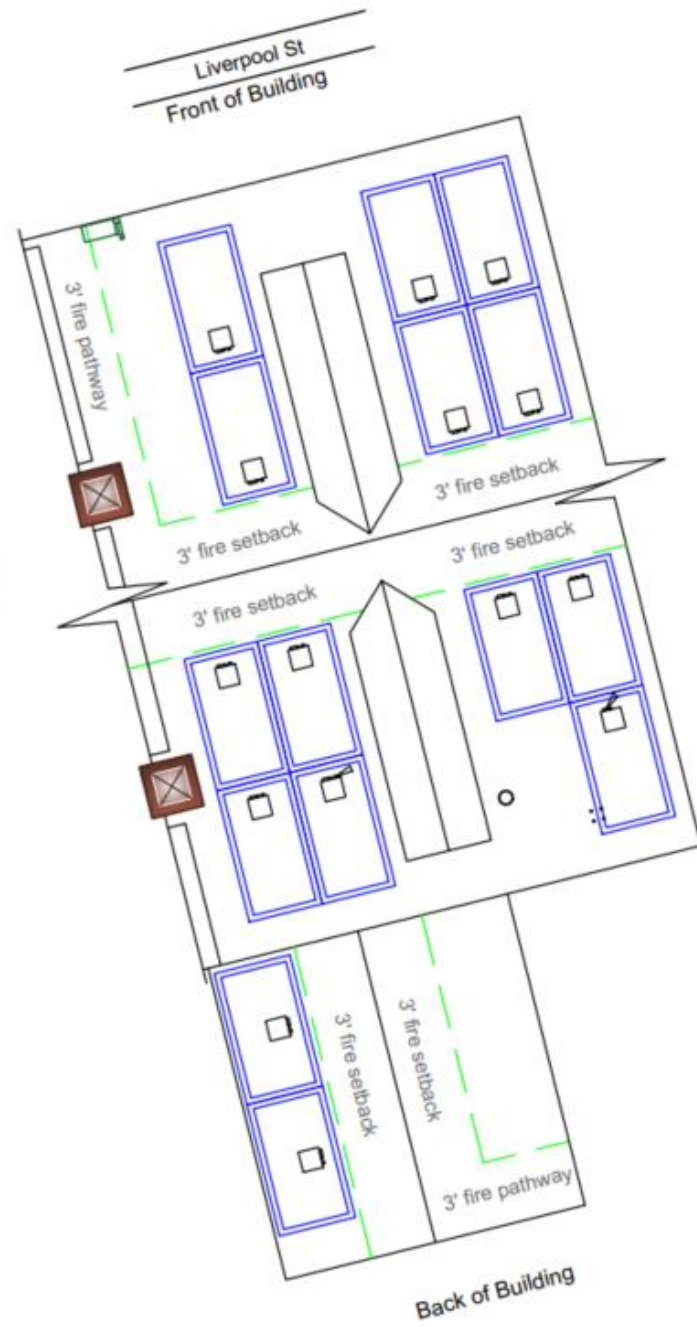

1123 Liverpool

- Bracey family project
- 6 of 15 panels on front of house (no more room on back of house)
- Panels will be barely visible due to the height of the house and pitch of the roof
- All other equipment has been relocated to the rear
- Panels color match black shingles of house
- No structural modifications to home.
