

City of Pittsburgh Plastic Bag Ordinance Compliance Guide

1. Single-use plastic carryout bags are not permitted.

- All establishments must comply.
- The ordinance applies to bags used in-store, at pick-up, and for takeout or delivery.
- The ordinance also applies to biodegradable, plant-based, and compostable plastic bags.

2. At least 10 cents must be charged for each compliant paper bag provided to customers at all points-of-sale.

- Paper bags must contain at least 40% post-consumer recycled content and cannot contain old growth fiber.
- Free paper bags can be given to SNAP/WIC/EBT users.
- Bag fees must have their own line item on receipts.
- Establishments retain all bag fees.

3. The ordinance does not apply to plastic or paper bags used for the following purposes:

- Bringing loose and bulk goods to the checkout, such as:
 - Unwrapped prepared foods, bakery goods.
 - Fruits, vegetables, grains, nuts, candies.
 - Uncooked meats or fish.
- Holding any dry-cleaning, medication, flowers, or plants.

4. The City of Pittsburgh will be inspecting for compliance.

- Inspections will be random or in response to 311 complaints.
- Upon discovery of a violation, the following will happen:
 - The inspector will outline the violation and give a warning.
 - After 4 - 6 weeks, the inspector will return to check compliance.
 - Citations will be issued if compliance is not met by the 3rd visit.
 - Fines will accumulate daily until compliance is achieved.
