The release of the aforementioned funds will be for the purpose of constructing a new community center on a vacant parcel (77-D-46) at Mt. The Project will replace existing and recreational spaces currently located in the Northview Heights High-rise property and its auxiliary building of the neighborhood.

Funding for the Project will consist of approximately \$12,000,000 in FY2026 Moving to Work (MTW) under the 1937 Act as modified by the 1996 and 1999 Consolidated Appropriations Act. The total estimated cost of the development is \$12,000,000.

The City of Pittsburgh has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR). The ERR will be made available to the public for review either electronically or by U.S. mail.
