TECH TALKS

FEB 26

LIVE 4PM

MEET KHALIL SABOOR

Khalil Saboor is a Software Engineer II with American Express. He is also one of the co-founders of BLACK TECH PHILLY where he is designing the Intro to Java course. Khalil enjoys coding on new projects, working out, watching Philly sports, playing video games and watching movies from new releases like Oppenheimer to classics like the Matrix.

CITIPARKS
REC2TECH

CITY OF PITTSBURGH
PARKS & RECREATION

This is a great way for local students to learn about careers in tech and the pathways to those careers!
