## MARKET INSIGHT - WHO AND HOW

### PARTNER HIGHLIGHT - JUST HARVEST

1 in 7 of our neighbors in Allegheny County are facing chronic hunger and food insecurity. Typically low-income families, seniors, and people with disabilities, don't know whether they'll be able to afford their next meal. Just Harvest works to promote a just system of food access by addressing the root causes of hunger – systemic poverty and inequity – through policy advocacy, grassroots organizing, community-based solutions, and connecting people to benefits. CitiParks Farmers Markets values our partnership with Just Harvest. [justharvest.org/fresh-access](https://justharvest.org/fresh-access)
