FollowUp Form

Quarter Three Activities Update

Greetings, STOP the Violence grantees!

As the City of Pittsburgh prepares to update our stakeholders on the impact of this process, we need to gather some evaluation-focused information about your programs. Please answer the following survey about your services and activities from the third quarter following receipt of your grant award.

Thank you!

Organization Name*

Please enter the name of your project/program in the box below.

Mount Ararat Community Activity Center

Did you spend any of your STOP the Violence grant funds during this period?*

Yes

How did you spend the funds?*

Please check all categories that apply.

Program Supplies

General Operations

Professional Development/Training

If you chose "other", please describe.

Tell us how many people your organization/group served from the following age groups during this period.

Ages 0-17*

26

Ages 18-30*

0

Ages 30+*

17

Programs and Services*

Provide a brief description of any programs or services your organization or group provided in alignment with your STOP the Violence proposal.

We chose to focus on our Middle School Mentoring Program.

Did you partner with any other organizations or groups during this period?*

Yes

Did your organization intentionally engage officers from the Pittsburgh Police during this period?*

No

Did you use STOP the Violence logos in marketing and media (social or traditional)?*

Yes

Give a brief description of your STOP the Violence during this period*

We ran a weekly mentoring program.

Is your organization planning any public activities in the next few months?*

No

If "yes", please provide a brief description.

Does your organization need capacity-building support?*

No

On what areas of focus would you like your capacity-building support?

Share Your Stories*

Upload a clip or provide text to share one or more specific stories (please avoid using full names of clients/participants) that illustrates the impact of your work.

One of our mentees, a middle school student, joined the program struggling with low self-confidence and limited social connections. Through consistent mentoring and participation in workshops, particularly in robotics and coding, he discovered a passion for technology. With guidance from his mentor, he developed a website and is working on his online portfolio to showcase his digital art skills.
