## Programs and Services\*

Provide a brief description of any programs or services your organization or group provided in alignment with your STOP the Violence proposal.

The Stop the Violence grant funded a program focused on promoting sportsmanship through violence prevention, and conflict resolution through organized activities. The initiative engaged 530 student-athletes in various activities, including training, fostering teamwork, discipline, and positive behavior. These efforts were designed to reduce violence in the City of Pittsburgh by offering constructive alternatives and mentorship. In addition to the athletic programs, the initiative provided instructional services that emphasized the importance of respect, communication, and conflict resolution, contributing to a measurable reduction in violence within the community.

## Did you partner with any other organizations or groups during this period?\*

Yes

## Did your organization intentionally engage officers from the Pittsburgh Police during this period?\*

Yes

## Did you use STOP the Violence logos in marketing and media (social or traditional)?\*

## Give a brief description of your STOP the Violence during this period\*

During this period, our Stop the Violence program focused on engaging youth through sports to reduce violence and promote positive community behavior. The program involved 530 student-athletes participating in sportsmanship activities, which not only improved social skills but also fostered teamwork, discipline, and respect. In addition to physical training, we incorporated instructional sessions aimed at teaching conflict resolution, communication, and decision-making, providing students with tools to handle challenges non-violently. These combined efforts helped reduce violence in the City of Pittsburgh, creating a safer, more supportive environment for young people.
