Programs and Services*

Provide a brief description of any programs or services your organization or group provided in alignment with your STOP the Violence proposal.

We hosted our back to school program, where we provided backpacks full of school supplies for 350 children at the start of the school year. We also hosted our Halloween Spectacular on October 27th, where we served 300 children and teens and hosted tables for community partners.

Each month we host a food distribution that serves 200 families (between 400-600 individuals).

On a weekly basis, we provide services to around 30 people who contacts us looking for help through our diaper bank, food pantry, incontinence care, utility assistance, and other needs.

Did you partner with any other organizations or groups during this period?*

Yes

Did your organization intentionally engage officers from the Pittsburgh Police during this period?*

Yes

Did you use STOP the Violence logos in marketing and media (social or traditional)?*

Yes

Give a brief description of your STOP the Violence during this period*

We have provided Stop the violence actions by giving parents and young adults the resources they need, as well as creating events that keep the youth occupied and off of the streets.

Is your organization planning any public activities in the next few months?*

Yes

If "yes", please provide a brief description.

Our Christmas Community Outreach event is taking place on December 21st at the David L Lawrence Convention Center. We are restarting our Parent/Guardian Stop the Violence Empowerment Course on November 14th.

Does your organization need capacity-building support?*

No

On what areas of focus would you like your capacity-building support?

Share Your Stories*

Upload a clip or provide text to share one or more specific stories (please avoid using full names of clients/participants) that illustrates the impact of your work.

(Single Mother) - "I am so grateful for Sister Mary and all of her work. I don't know what I would have done without her helping me by providing diapers, formula, food, and equipment for me and my baby."

(Foster Parent) - "Had a baby brought to me in an emergency situation, and at midnight I was given a baby and a bottle to take care of. I have been able to get all of the resources I need to help care for this child and have now been able to give back."

(Senior) - "I have been embarrassed every time I have needed to purchase (incontinent care/adult diapers) at the store. I feel no shame going to Save A Life Today Pittsburgh, and only ever feel cared for and supported as a person."
