Hello Everyone,

We're excited to share that the Garfield Jubilee's Association 9th Annual Community Festival was a tremendous success! It was a beautiful day filled with bingo, delicious food, a variety of vendors, live performances, and so many community members enjoying the festivities.

We had an incredible lineup of vendors offering valuable resources, services, and products that made a difference and offered opportunity for our community members. From local businesses to nonprofit organizations, everyone came together to support and empower one another.

Seeing so many locals—families, friends, and neighbors—enjoying themselves, connecting, and sharing in the fun truly made the day memorable. The energy and spirit of our community were on full display, and it was inspiring to witness the unity and excitement throughout the event.

A special thank you to Mayor Ed Gainey for visiting and sharing his inspiring message with our community. He reminded us of the importance of not just growing older, but growing wiser, and encouraged us to pass on knowledge to the next generation to help end violence and create a brighter future for all.

We are beyond grateful for all the support and participation, and we can't wait to build on this momentum with future events! Stay tuned for more community-building opportunities with us through our Instagram and Facebook.

Thank you to everyone who made this festival a success—whether by attending, contributing, or spreading the word. We look forward to seeing you at the next one!

With gratitude,  
Garfield Jubilee Association
