Recovery On Frankstown - We don't have the STV logo on this flyer only because the funding is not going toward these events.

PROGRESS*

Please provide an update on the progress of your program or project, as outlined in your proposal and goal sheets, through January 31.

Still in the planning stages of our events, we faced major illness and deaths in the family of organizers so shifted our timeline. Workshops are slated to start in October and January, and we have a Healing Retreat scheduled for the end of August.

IMPACT*

Please describe the impact of your program or project on violence in your neighborhood(s).

Per our goals, we have not achieved the impacts yet because we have not yet implemented the events. We will have more to report at our next report back.
